

PACKROMAK

1969

JANE GIBBS

Dear Jane,

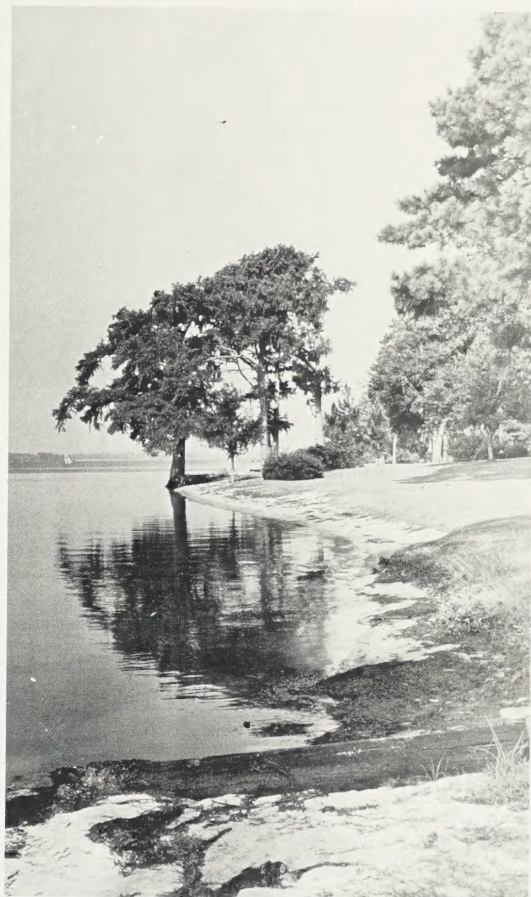

It would be impossible to express adequately, in words, the way I feel about you. The two years we've been going together have been the only meaningful years of my life. It would fill a book if I were to attempt to list all the things we have done and experiences we have had. I'm so glad I was lucky enough to get you, but I still can't completely believe I could be so lucky. When Sept. 22 arrives, the time will be 2 years exactly. What a 2 years! Now that I have you I don't know what I'd ever do without you. Existence without you would be just that - mere existence. Life with you is exciting, vibrant, interesting and devoted. Ambitions are for the young, so it's not wrong, I suppose, for us to have ambitions, especially one in common. A champagne toast to our life together. . . .

I love you
Robert

The Times

*“All things must change
To something new, to something strange”
Longfellow*

The 1968-1969 school year has been one of great importance for all the students at Washington High School. It was the first step in a new climb for progress.

For each of us it was new and even strange. It was a change which could only be experienced by those of us working in the high school. And thus, only we, can accurately measure and evaluate the results.

Although only we were a true part of the change, and only we can truly weigh the outcome, we were being watched by the critical eyes of those around us. They kept a record of our every move, tried to predict and sometimes influence the results.

Are Changing

And thus we set out, under careful surveillance, to make this year a success.

The 1968-1969 Packromak staff has strived to capture the spirit of the students and faculty at W.H.S. during this year.

The times are changing and thus we too must change. We cannot stand still and allow time to pass us by. This year we laid the foundation from which our successors must build.

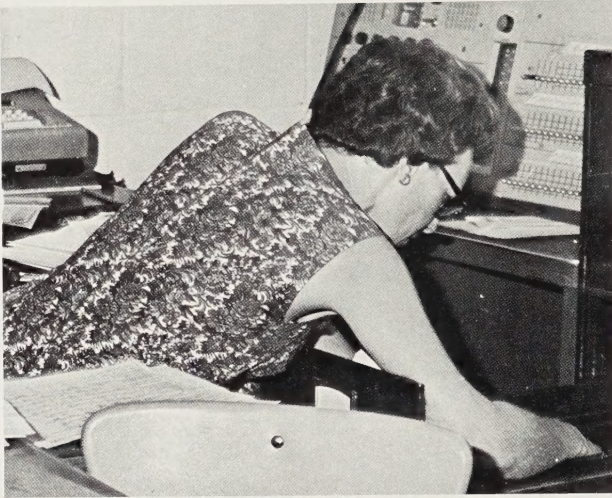

We have left our mark in time and the Packromak staff has tried to tell the story of our attempts through pictures.

Now we present to you the 1968-1969 Packromak in hopes that you will find it a reflection of your thoughts, your actions, your dreams.

Miss Libby Bowen

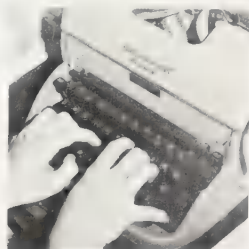

Miss Libby Bowen keeps Washington High going with her dedication, accuracy, and diligence. She is always there to lend a helping hand. She changes schedules, mails applications, and gives moral support to the Packromak staff when the budget is getting low.

She is aware of the needs of students and faculty alike; she is willing to help in whatever way she can.

The Packromak staff could not have asked for a better "budget keeper." She helped keep us informed about how much or how little money we had.

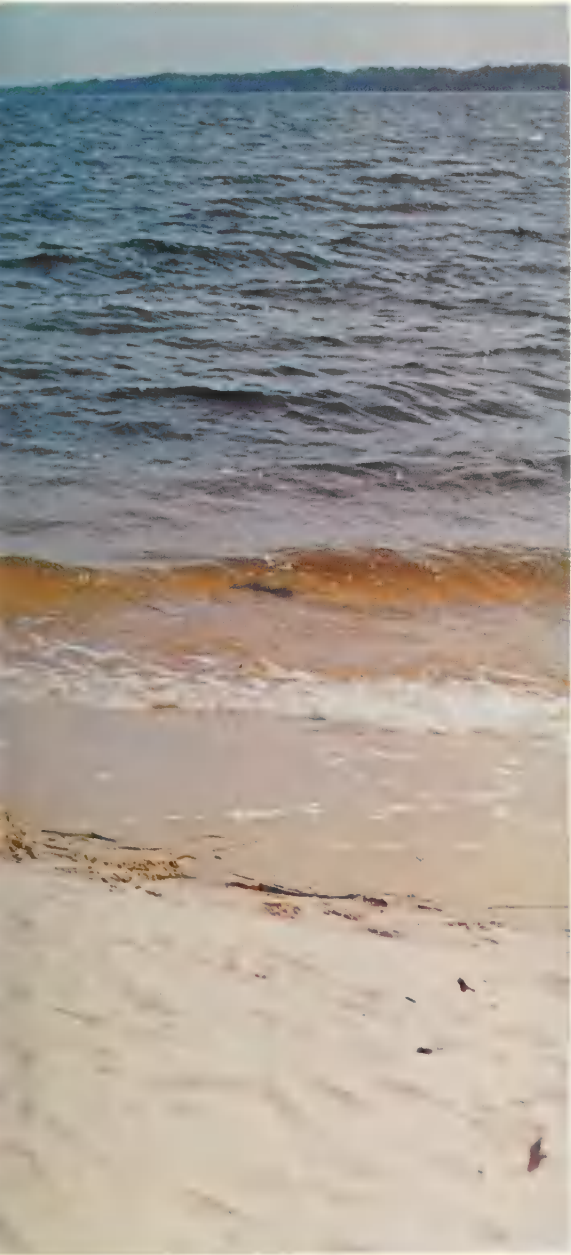

This is a small thank-you to an invaluable helper. The 1969 Packromak staff proudly dedicates its annual "To Libby With Love."

Mr. Jasper L. Lewis

Mr. Jasper Lewis is the new Superintendent of the Washington City Schools. Although this is only his first year in the position, he has already shown the qualifications which make him ideal for the job. With the help of Mrs. Nellie Garris, secretary, he heads the Washington City School Unit.

Mr. David T. Fowle

Mr. David T. Fowle assumes the tremendous responsibilities of principal of Washington High School. He fulfills this position with dedication while offering friendship and individual attention to the students. To Mr. Fowle, we, the students of Washington High School, owe our sincere gratitude, for without him the school would not be the same. "Pappy," as he is affectionately known, is indeed a favorite of both students and faculty alike.

Mr. J. G. Wagner is assistant principal of Washington High School. He is also head of the athletic department. His duties are numerous and he fulfills them all with his own distinctive style. His popularity among both students and faculty is unexcelled. He is always around to help out those who are in need. Mr. Wagner is truly an asset to the school.

Guidance Counselors

Washington High School is privileged to have Mrs. Randolph and Mrs. Respass as guidance counselors. Although this is only their first year at WHS, they have already proved their worth through aiding students in planning their future activities.

They administer the PSAT and the SAT and any other tests which may help the students in the future. Their help to college-bound students is invaluable. Always ready and willing to help with a problem, Mrs. Randolph and Mrs. Respass are truly an asset to the school.

Under the capable management of Mrs. Hazel Hill, the cafeteria staff prepares a nutritious meal for the students at WHS. These women devote their talent to making our meals appetizing as well as appealing. A different menu is available each day.

School Janitors

The janitors of Washington High School deserve a great deal of gratitude. They are forever cleaning and repairing to keep our school in top shape. Theirs is a very important job, and we are grateful that it is so well done.

Social Studies

The Title III program was begun several years ago in Washington High School. Although not all of the social studies teachers use the Title III methods, many students have been able to take advantage of it. Its effects are far-reaching and its rewards are great. Washington High School is indeed privileged to have such a program.

The 1969 Packromak Staff

Judy Yates, Editor-in-Chief, finds a comfortable place to work.

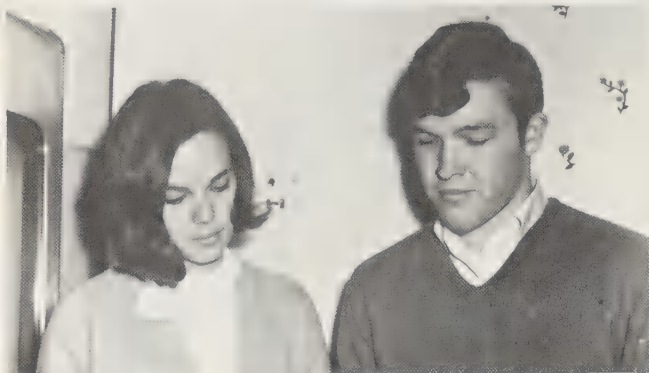

"What have I done now?" asks Marty Roy, Business Manager

Each year the members of the National Honor Society are given the privilege of working on the PACKROMAK staff. The PACKROMAK is dependent upon the dedication of the staff members and the cooperation of the entire school. The staff tries to create an honest representation of the students, faculty, clubs, and functions at Washington High School.

Assistant Editor, Andis Nasset, agrees that "Things go better with Coke"

Packromak Staff

Feature Editors, Connie Gerringer and Johnny Waters eye upon some interesting subject.

Sue Chauncey, Faculty Editor, wonders how that person is possibly going to fit on this page.

Jim Boyer, Sports Editor, either has lots of faith in his assistant David Sparrow or lots of money.

Senior Editors, Steve Woolard and Marjorie Spruill, seem to be happy that they finished their section on time.

Ann Tyndall and Sarah Thomson, Sophomore Editors, are playing a little tug-of-war during their spare time.

Peggy Biggerstaff and Marty Woolard, Organizations Editors, search for a picture for their section.

Members Work To Preserve Memories

"Come on Phyllis, we can make it!" shouts Karen Edwards, Junior editor, to Phyllis Weatherly, her co-editor.

Connie Owens and Toby Alligood, advertising editors, look more interested in the pop corn than the ad contract.

Mary Ricks, subscription editor, is busily adding columns of figures.

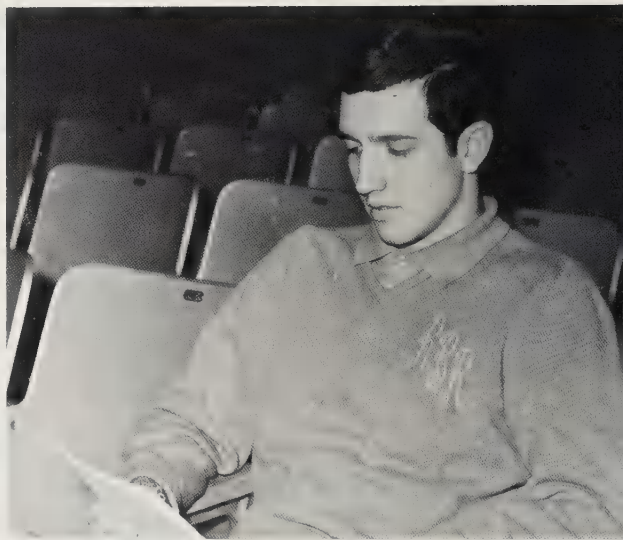

Peggy Bonner, Music editor, beats the tambourine as she thinks of ideas for the music department section.

Mike Renn, photographer, keeps close tabs on all his bottles

1968-1969 Student Council

The Washington High School's Student Council is the means by which the students themselves take an active part in the governing of their school. Many changes have taken place this year. The Student Council tried to promote the best interest of the school at all times. Besides its four officers, the council is composed of a representative from each home-room, the president of the junior, senior, and sophomore classes, and a representative from each club and major sport.

Senior Superlatives And Who's Who

The *Packromak* has selected two fields in which outstanding seniors may be recognized. Who's Who and the superlatives are based on popular vote of the senior class members. By having both superlatives and Who's Who, the *Packromak* staff has attempted to recognize these well-rounded students.

The superlatives are voted upon by the senior class members only, but the Who's Who members are chosen by the seniors and then the choices of the class are approved by a faculty committee.

The candidates for Who's Who are judged on their scholarship, leadership, and extracurricular activities. These students are admired by their classmates for their good leadership and their cooperative attitude.

Senior Superlatives recognize certain students for their outstanding traits and abilities.

In the following pages the *Packromak* presents these outstanding seniors.

The 1968 Pam Pack Varsity experienced one of the most disappointing seasons in recent years. Washington was one of the pre-season favorites, and after the first two games, it looked as though the Pack was on its way to the championship. A 12-7 loss to Kinston started the Pack tumbling as they went seven games without a victory. They finished the season with a victory over East Cartaret to give them a 3-6-1 record. With a year's experience in the pro-set offense, Washington was expected to improve greatly over last year's mark of 4-5-1; however, they never reached the peak that many conference coaches thought they would. Defense seemed to be a tremendous problem. Several times the Pam Pack could not maintain leads in the last half of the game. Offensively, the Pack was shut-out once, but it was held to only one touchdown on five different occasions. Throughout the year Washington, as a team, played inconsistently and this is a big reason for such a disappointing season. There were some bright moments during the season. They were supplied mostly by players like senior halfback Lex Mann, all-conference; senior guard Chris Furlough, all-conference; senior linebacker Scotty Hardy; senior end Tom Stewart; senior halfback Jerry Stalls; and senior halfback Allen Brown.

They say that statistics give an accurate account of what happens. A close look at Washington's football statistics is deceiving. It is true that the Pack had several close games as the statistics indicate, but the Pack usually came out on the short end. Five of the six losses were by seven points or less. The only game the Pack had that was not close was Tarboro, 33-7. More than once Washington beat their opponents in everything but the one thing that counts, the score. With a year like 1968, statistics are not very consoling.

Pack Wins First Two Games Easily

Jerry Stalls tries desperately to evade an oncoming tackler.

Washington displayed a powerful offense as it demolished the Plymouth Panthers, 45-0. It was a game of exciting running and good defense on the part of the Pack. Allen Brown made the season's longest gain from scrimmage, 55 yards, and David Rodgers returned a punt 85 yards to lead the Pack. It was a great season opener for Washington.

After spotting the Rams a first quarter touchdown, the Pack went on to win convincingly, 19-6. Tom Stewart had a great night as a receiver. He made a spectacular grab of a Chuck Latham pass for a touchdown in addition to several other fine receptions. Larry Smithwick scored twice also.

Red Devils Defeat Washington 12-7

The Kinston Red Devils managed to keep Washington from scoring the second half when the Pack was deep in Red Devil territory. Twice Washington was stopped by the tough and determined Red Devils. The Pack moved the ball well except when they neared the Kinston goal line. The lone Pack score came in the second period when quarterback Chuck Latham swept around the end. Lex Mann had his best night rushing as he rolled up 138 yards. Several times Pack runners almost broke away, but there was always a Red Devil close at hand.

Jerry Stalls makes a good gain for the Pack.

Washington showed no signs of a letdown after the Kinston loss as they gave the Yellow Jackets of Elizabeth City a tough battle. Elizabeth City had one of the better teams in the conference, but they could not shake the Pack and had to settle for a 7-7 tie. Both teams showed strong defenses with no team being able to sustain a consistent offense. The Pack's score was set up on a long pass play from Zeno Edwards to Robert Griffin. Lex Mann later scored.

Arch-Rivals Post 14-7 Win

The Pam Pack traveled to Ficklen Stadium to play the Phantoms of Greenville and hoped to improve their record. The Phantoms had other ideas as they quickly jumped out to a 14-0 first quarter lead. Washington could manage only one score which came in the third period. Jerry Stalls scored on a pass from Chuck Latham. As usual Greenville was fired up for the game and had too much power for the Pam Pack.

Patriots Come From Behind To Win

It appeared that Washington was going to snap out of its losing streak, but just as the Pam Pack started tasting victory the Patriots of West Cartaret staged a magnificent fourth quarter rally and collected a 13-6 triumph. Washington had taken an early lead on a touchdown in the first quarter. The defense shut-out the Patriots until that crucial fourth period.

Pack Drops Homecoming

Tigers Roar 33-7

The Tarboro Tigers proved to be too much for Washington as they destroyed all hopes of a Pam Pack upset and a homecoming victory. Washington's defense found it difficult to keep up with the excellent ball-handling in the Tiger backfield. The offense found it hard to get moving also. The only score came in the last minutes on a pass from Chuck Latham to Allen Brown.

Jackets Nearly Upset By Pam Pack 6-0

Washington faced its second conference contender in a row when they played Roanoke Rapids. The Jackets went on to win the conference championship but not after a defensive struggle with the Pam Pack. Not until the last quarter could the usually potent Yellow Jacket offense manage to score. The Pack just couldn't get their offense moving and were shut-out for the only time during the season.

Pam Pack Closes Out Season 21-13

After going seven straight games without a victory, the Pack closed out the season with a 20-13 win over the Mariners. Washington operated from the shotgun offense and threw the ball quite often. Chuck Latham attempted 28 passes and completed 14. Jerry Stalls was on the receiving end of seven passes, one for a touchdown. For the seniors, it was a fine way to end a season, especially after the kind of season they had.

It seems uncommon for a Pam Pack Junior Varsity football squad not to have a great season, and this year's team was no exception to the tradition of great football teams at Washington High School. Under Coach Choppy Wagner, the Baby Pack compiled a perfect 10-0 record. Robert Deatherage, William Guilford, and Nathan Pope provided much of the explosive offense as Hank Modlin, Johnny Brown, and Gary Smith stood out on defense. However, with a team as great as this one, there was tremendous team play and great effort exhilarated by every member of the squad. This team gives much hope to varsity football success in the next few years.

Coach Ross Lane: *The man with the plan*

The 1968-69 basketball team is in a class by itself. Utilizing a pressure defense and a very explosive offense, the Pack simply outclasses its opponent. With the exception of three games, the Pack has overpowered and outshot its opponent. Their airtight zone press baffles and destroys most offensive attacks. However, the explosive offense, not the defense, is what leaves most people spellbound. Twice, the Pack has reached the century mark and beyond. They have scored 90 points or more 7 times. For the season, they have averaged almost 85 points per game. The main credit of this caliber of play goes to the hustle and determination shown by all the players and the unselfishness which results in great teamwork. For this reason the Pack is rated as the best in the conference and one of the best in the state.

The Pam Pack Baseball team has several starters back and quite a few new members around which Coach Cherry will be able to build one of the strongest teams in the conference. There will be little depth in pitching, but Washington has one of the best pitcher-catcher combinations in the league, in Zeno Edwards and Scotty Hardy. They both made the all-conference team last year. This year's team should be one of the best hitting teams Washington has had in several years.

The 1969 Track Team should be much improved over last year's team, which ended up in fourth place in the conference. The more mature and much more experienced thincladers should be in top contention for the conference crown. With such stars as Al Gerard, last year's most valuable player and conference champion in the 100 yard dash, and Allen Brown in the sprints, Phil Stalls in the high jump and pole vault, and Chris Furlough in the shot put, the Pack could unsurprisingly sweep through its slate of meets without a defeat to its name. Under the direction of Coach Ted Day, the track team works hard to carry on the tradition of excellence in sports at Washington High School.

This year's Pam Pack Tennis Team should be one of the best in many years. All members will be returning from last year's team, which was one of the best in the conference. Last year's top three players, Chuck Latham, Charles Harrington, and Mike McDonough, will form the nucleus of the team. Toby Alligood, Jack Wilroy, and Guy Stowe will also return to make up the remainder of a great Pack tennis team.

Jane,

To a real sweet girl. I've really enjoyed knowing you for the past 3 years. We've had our times, haven't we? You're about the nicest girl I know. I can trust you with all my problems and thoughts and I know you'll understand, or at least try to. Deep down inside you may think I'm a little wacky, and I don't blame you if you do. I guess that's just the way I am. You are a great help to me. If it weren't for you, I'd be a lot worse off than I am now. I thank you for this. (You are my girl Mayo, - people won't understand that - By that I mean you help me with everything.) On your birthday I meant everything I wrote in the letter + poem, and I still do. You're adorable + understanding. Let's raise this summer! I would love to see you in a certain condition + see how you react to the situation. Love you! Jeanne

Jane,

(Arnold Giffel)

Well I guess you have around 10 now. Remember Joe! I knew that would get you. Remember the night you came to my house (Joe + Ellen). Well I quit messing. I think probably you are the closest girl I know. Jeanne and you have always been my favorite. I had so much fun with you at ~~Academy~~ ~~dinner~~ dance. I mail + m. I. If we go on any picnics this summer with clay you better come. I still consider you my favorite even if Robert gets mad. You are my burn. Break up with? I love you
MAYO

A neat little girl, may
 luck always be with
 you in your future
 years.

Fat Potatoe,

Have you been to Bath lately?

 we went riding.

Jane (WANE)

You are my bun and I like you because you're my gentle lamb.

Your face is soft and I think you're pretty. Take care of that Robert and invite me to your wedding, so I can play with the flower girl.

We have had some good adventures and some not too good...

You are a good experience for me, every day is a happening if you are here to rub my arm with your hair brush.

Be my valentine and I like it.

scribbles:
It has been really great knowing you through high school. We have had great fun together in class. I hope you are in all my classes next year. You and Robert have a great thing going, so don't (munk) it up. Keep up your good grades and good looks and stay sexy and have fun in the future. Love of Luck

Sandy

Jane
I want to tell you,
we really have had a time
in Esté's class when you
bored Luck in the
future you may get

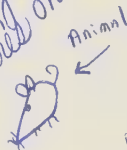

June,

I am so glad you got in my Biology class. I don't know what I would have done without you. You listened to all my problem and helped me so much!! I've told you just about all my problems. Just think how much closer we've gotten this year... almost like 7th grade. We've had loads of fun with "Regi" and the boy across the table. We'll have to get together a lot this summer and be sure to write me next year.

I wish the best to you and Robert in the future years.

Dear June!
You're the cutest
little girl I know -
You have a great
personality and are
able to make anyone
laugh. I've had a
great time in Biology
this year and maybe
we'll be together next
year. Mayberry will
be just next year.
(HAHA!)
Good luck in
everything and
try hard and nothing
is impossible to do.
Watch out for Robert and
watch out for me (I'll
be driving this summer.
The People's Choice)
Love,
Joan James

June,
We sure have had some
good times together in Biology
this year!! I'm sure I'll never
forget you!! Be good to Robert and try to stay
out of trouble this summer!
Best of luck of Reggie's tests for ya!
Carol Brunsdon (Rauls)

Jane,

It is very hard to define a true friend. We never found a good definition. All I can do is name a few ways you've really helped me. If I named them all there wouldn't be enough room in the world or time to tell them.

Every time I feel down, even if you do to you always manage to cheer me up. I have really had some down times and you always listened to my problems and every time helped me find a solution. Especially with Robert & me or else. Remember that night when you spent the weekend with me & what happened to Joy. And Judy had to spend the night. You really were tolerant & understanding. You have helped me so, so much it is very hard to put it into words. Everytime I do anything you help. Everytime I need your help you are always ready & willing to help.

When I think about the first of the year when Stewart made us enemies I want to grieve. I've been so sorry for that for so long. I Hate Her so much for it. Everytime I see her it passes my mind & the urge to kill comes in it but so far I've controlled myself. I'm am so sorry for that and will always regret it.

I use to think you and Robert were not for each other, but now I know you are and it makes me very happy to know you have

found the right man and will always have him. I know you will always have as much happiness as the world holds.

We've had so many good times this year. I know we will have many more throughout our life time. I want us to always be friends. good friends I have a feeling we will.

This summer we can have a lot of fun. Anytime you want to we can go out on my boat. Although we'll probably kill everyone on the river we'll have fun.

You've got all the qualities that make a person, bright, happy, & loved by all.

I know you'll always be happy and get what you want although you deserve more. If you have any problems however slight or however big. You know my number.

Love & Best of luck,

Rebecca
